

Minneapolis-Public Library      February 15, 1912

Hill to Edward C. Gale

Re restoration of the library's pictures; few are restored without injury."I understand that the 'Battle of Tel el Kebir', which is by many considered the best piece in the world has already suffered greatly for want of care. Knoedler and Co. of New York City has always cleaned for me and is entirely reliable."

JJH LetterBook, 2/20/06 - 1/31/14(NY),p.420
