

Minnesota - Economic conditions Sept. 29, 1888  
Hill to C.F. Peterson, Rindahl, Norman Co., Minn.

"Nothing will be done on the line [east of Crookston] wouth towards Pelican at present. The light crop and the general condition of railway matters in Minnesota are not such as to encourage the extension of any lines, or even the laying of rails on that grade."

JJH LetterBook, 4/12/88 - 2/7/89, p. 423
