

Minnesota - Iron Ranges

July 18, 1887

Hill to Wm. E. Smith, Plattsburg, N.Y.

Thanks for your trouble in getting the iron explorer for me. "I wired you that August 15 would be as soon as he could work in the woods owing to flies. The wages you name are satisfactory."

JJH LetterBook, 6/6/87 - 4/12/88, p. 116
