

Minnesota - Politics & Gov't

3/11/97

To Edward D. Adams, New York City

The present Minnesota legislature is one of the most corrupt we have ever had. Hardly a property interest in the State that has not been attacked in some form or other. Hard fight ahead.

We shall have to select a new president of the Oregon Railroad and Navigation Co. McNeill has developed habits of intemperance.

JJH Letter Book, 10/11/95- 3/13/99, p. 177
