

Minnesota - Settlers

January 17, 1880

Hill to W.A.Doe, Lake City, Minnesota

"We are making a very strong effort to settle our lands. I think I am safe in saying that we are getting more new settlers on our lines than all the other roads in the state combined. The Minneapolis Lumber mills have been for the past year selling a large portion of the entire cut-on our lines."

St.P.M.& M.Ry.LetterBook 2:441(10/15/79-3/5/80)
