

Minnesota Central Road

August 6, 1883

Hill to Marvin Hughitt, gen. manager NW Road
Re the road from Ortonville to Wahpeton. Re
Stickney's plans. "The parties outside of the
Blind Pool, which is supposed to be Foote [?]
and Cable in the Minnesota Central[road]are
quite disappointed and I think would be willing
to take their money back. they own about half
the property and their ownership is I think
represented in stock. Merriam, Wilder, Sabin,
&c. D. Gilfillan are the heaviest holders."
