

Minnesota-Capitol

August 18, 1905

J.T.Mannix to J.J.Hill.

The September, 1905 issue of Western Architect will be designated 'new capitol number' and "will be a very elaborate publication. This edition de luxe will be devoted exclusively to an illustration and description of the superb building which in so beautiful and enduring a way typifies the progress and patriotism of the people of Minnesota..."

"The artists will  greatly assisted by

designs just completed by Mr. Cass Gilbert,
the Capitol architect
