Re Chas. E. Butler and the Consolidated mortgage
We need to build fast to protect our territory.
The Rock Island Road has got control of the Des
Moines & Fort Dodge Road, expected by me after
the "failure of the negotiations so unwisely
commenced and conducted by Mr Minot. The Rock
Island Co is striking out in all directions and
I am well advised have Bismarck in view as one
of their objectives and I believe they will soon
be there!" "I saw Sir George Stephen and Mr.
Van Horne at the depot on their return trip from
Halifax & St. John, N.B.
