

Mississippi River - Navigation December 1, 1888
Hill to Hon. Thos. Wilson, H. of Rep. Washington
Introducing George H. Henshaw, civil engineer,
who has cheaper method of deepening Miss. River
than former ways. Please introduce him to the
chairman of Committee on Mississippi River Im-
provement, if your own Committee on Commerce is
not the proper one to interview.

JJH LetterBook, 4/12/88 - 2/7/89, p. 615
