

Montana Central ^{Road} Ry. Co.

Oct. 22, 1886

To J. Kennedy in code, translated.
Tells how many miles must be built &c in 1887
that is, 783 miles in 8 months from present e
end of track to Montana and that is over ~~7777~~
twice what was done this year; also 100,000,
000 feet of timber & ties required.

JJH Letterbook 1886-1895
