

Neihart Branch

January 21, 1890

Hill to E. T. Nichols

"During the present month we have disbursed heavily for the Neihart branch: up to January 1st, about \$250,000, which will be increased by \$75,000 to \$90,000 for January. We have also paid for the transfer property on the west side of Minneapolis ... about \$160,000. I hope when this property is completed that it will be a good asset for the Northern for half a million dollars."
