

Nelson, Knute

January 1, 1901

R. F. Pettigrew to Hill

Saw Nelson a few days ago. He complained that Pettigrew had a conference with Sam, Hill for purpose of defeating him. I said I had had a conference with you instead "and that I had said to you that I cared nothing about his re-election. Thereupon Nelson said he cared nothing about you and that you could not defeat him."
