

Nelson, Knute

Sept. 5, 1887

Hill to Senator Nelson

Re getting Russian seed wheat, which "is of a much earlier maturing variety than our Fife wheat, which is of the greatest importance and value to the farmers of Minnesota."

JJH LetterBook, 6/6/87 - 4/12/88, p. 250

[For short account of introduction of Fife wheat, see W.G.Hardy, From Sea Unto Sea, p.464]
