Hill to Nelson, Alexandria, Minn.

Will try to secure place named for your friend  
We are laying track again and hope to get to  
Alexandria by 27th or 30th. [Friend's name was  
Rowe.] Has Rowe had any railroad experience?  
If not it may be necessary for him to spend a  
week or so with an old agent to learn the of-  
fice work.
