

Nelson, Knute, Gov. of Minn. Dec. 31, 1892

Hill to Nelson

You have misunderstood my letter completely. During your entire public career, I believe I am sage in saying I have never asked you for any favor of any description, and ... I do not propose to begin or end your term as Governor by asking for any favor whatever." Gives reasons for writing his letter of December 15.

JJH LetterBook, 10/22/86 - 9/21/95, p. 424
