

Newberry, Prof. John Strong November 26, 1884
Hill to Professor Newberry, Columbia College, N.Y
Col. Broadwater telegraphs that he has bonded
the entire interest of Russell and Chadwick and
Company and I believe a few others, amounting
to about 40 mines. This will give him an oppor-
tunity to uncover and develop a sufficient
number to fairly determine the value of the
property.

JJH Letterbook, 10/18/84 - 3/14/85, p. 176
