

Nor. Pac. Road - Terminals April 16, 1886

Hill to T. F. Oakes, v.p. Northern Pacific  
Re Minneapolis Tribune story identifying  
N. P. with the Minneapolis and Pacific Ry. Co.  
"If any line is built by that company between  
Minneapolis and Glenwood Our road has provis-  
ion and so has the Minneapolis Union Ry con-  
tract (except with Nor.Pac.) that the termin-  
als shall not be used for business in the  
state of Minnesota north of a line drawn east  
- west through Ortonville. If your company  
will exact the same conditions, less trouble  
will result from enterprises like the Minne-  
apolis and Pacific.
