

Nor. Pacific Road - Reorganization 11/26/1895

Hill to E. D. Adams

"After what I told you I am sure you were greatly surprised at Judge Kelly's decision, but not as I was. I fully expected that he would have confirmed Judge Sanborn....,[his decision] does not quote any law or precedent. It is more like a stump speech than a legal decision. We have appealed, and will hold it in Supreme Court until next spring."

JJH LetterBook, 7/9/95 - 6/8/98, p. 278
