

"Nordvesten" Company Papers 1881-1894

Papers of this company, consisting mainly of statements of receipts and disbursements cover the years 1881-1894. Also included are the articles of incorporation, estimates, proxies, memos, comparative statements of various years, but very little correspondence.

There were actually two different companies formed:-the first in May, 1881. The capital stock was to be \$25,000 and there were incorporators from fourteen different counties in Minnesota (see articles of incorporation, April 1, 1881). A new company

was formed Dec. 30, 1886 stock was issued
January 31, 1887 for 10,000. This company
printed the paper, "Nordvesten."

Also included in the papers is a hard-
covered book, "Stock Ledger & Register of
Transfers of 'Nordvesten Publishing House.'"
However, this book contains only three pages
of stock transfers. There are two boxes of
these papers.
