

North Oaks Farm

July 7, 1883

Hill to Thos. Galbraith, Rancocas, N. J.

Thorne has recommended you for charge of my stock farm about 8 miles from St. Paul, where I have 30 Jerseys, 15 short horns, 30 polled angus cattle, and 100 or so sheep, plenty of grass and meadow. I raise no crops to sell. There are 5 good new and roomy houses here & in about 60 days I will have first class stables &c; some fair ones are now on the place.
