

North Star Construction Company May 23/97

To H. Cannon

More about Morgan and Northern Pacific's mis-
management. "The North Star Construction Co.
of which we receive the stock, owns some very
valuable iron properties in the neighborhood
of the Biwabik and Mahoning mines. I think
they were selected about as early and have
always been considered among the most valuable
properties in the Range."

JJH Letter Book, 10/11/95 - 3/13/99, p.195
