

Northern Pacific Road - Reorganization.

H.W.Cannon to Hill, May 9, 1894.

A very good letter, which deals with the matter of reorganizing the Northern Pacific Railroad.

General Correspondence.

Northern Pacific Road - Reorganization

Almost the entire letterbook, 7/9/95-6/8/98, is devoted to this topic, mostly in code, but Estevan's cables and some others are decoded in the General Correspondence, so that the gist of the messages can be followed.
