

Northern Securities Co. - Stocks Sept. 8, 1901

Hill to E. T. Nichols carbon
Details re investments of Ellis, Farrer, Mt.
Stephen, and Mitchell (of Chicago) in the new
stock. "I would like to take thirteen hundred
shares First National, but do not want to run
beyond my income. However, the Northern Pacific
shares are being placed so readily that I will
probably be able to take the thirteen hundred
shares without inconvenience... I hope you will
quietly do what you can to have our Great North
ern share-holders deposit their shares for the
holding company."
