

Northrup, Anson

January 14, 1886

Hill to Major Charles Flandrau, St. Paul

Enclosed I send you printed petition showing Anson Northrup claims [word illegible] the Indian campaign of 1862. As I understand you are taking some steps toward securing something for the old man at the close of his life. I desire to say I shall be glad to render any assistance in my power to help your efforts in that direction.
