

Hill & Acker

May 3, 1875

Hill and Acker to C.M. Underhill, Buffalo

"I have bought the entire interest of C. W. Griggs in our business and paid him for it and have also under our partnership as follows--- Hill & Acker at St Paul and J.A. Armstrong at Minneapolis. We have purchased of Saunders and Harrison their Minneapolis yard and the business and they have dissolved. Harrison goes out entirely and Saunders continues the business at St Paul. This we think will more than double our Minneapolis tonnage."
