

Hill and Acker (firm of)

Formed May 1, 1875. This firm was to be known as Hill and Acker or John A. Armstrong" as found convenient." See articles of co-partnership of this date. Apparently the firm later became Hill, Saunders and Acker and was dissolved May 1, 1878. See: copy of letter from Hill to Union Chemical Company, October 31, 1878 in letterbook for this date.
