

Hill, J.J.-Political Activities May 7, 1904

Carbon. J.J.Hill to E.A.Nelson.

Replies to Nelson's letter of May 7. States that "For some time past there has been a determination to make a political issue in the State of myself and my work, and while what I have done in the State is a matter of public record for the past quarter of a century, I have always tried to avoid any connection with State politics."
