Carbon. "JJT" to Col. George T. Slade

"In J J Hill's time the food supplies for the camp" [at St. John River, Canada] "were taken from the very liberal and complete stock kept on the yacht"[Wacouta] "every few days or so, and no special list to meet the camp needs alone was ever made up."

Filed by date in papers transferred to the  
L. W. Hill Collection in 1963.
