

Hill, James J. - Political *Activities* Feb. 22/97

To Hon. Frank Viets, Bismarck, N.D.

Hopes he will work against a North Dakota bill copying an anti-railroad law in Iowa, which has had a very harmful effect on Iowa economy. "We are doing everything in our power to encourage the coming of settlers to N.D." [next letter, to Hon. J. S. Murphy, Bismarck, Feb. 23/97, shows he was Hill's informant.]
