

Hill, James J. - Political Oct. 18, 1882.
 Activities.

N. G. Ordway to Hill.

Suggests C.S. Palmer, Ass't U.S. Att'y for Dakota Territory as a suitable person to investigate the "best points obtainable for a large town in Ramsey County [Dakota Territory]." Also recommends James G. Chandler, son of the Sec. of the Navy, as a reliable person. Thinks these men "might secure the claims now held by paid squatters." Palmer can be trusted to secure the land Hill desires. Chandler will remain to hold any

claim purchased and with J.C. Saunders an attorney from Penn. will take part in the organization of Ramsey County.

General Correspondence by date.
