

Hill, James J-Salmon Fishing June 14, 1919
Interests

Carbon. "JJT" to Col. George Slade.

"It occurred to me to say to you that Mr. Hill, during the time he fished the river, had a record kept of the results of the fishing of his or other parties using the river; such record giving the name of the anglers, dates, individual weights of fish killed and the names of the pools."

Filed by date in papers transferred in 1963
to the Louis W. Hill Collection
