

Hill, James J.-Yacht-Charts. June 17, 1916.

D.A.Weed to E.T.Nichols.

"The charts complete which you mention... are the old copy [copies] that came with the yacht."

Weed later sent the charts to St. Paul. They are undoubtedly the thirty-four hydro-graphic charts that are now filed with the "Wacouta" records in the J.J.Hill Collection.

The charts had been on the yacht when Hill bought it as the "Eleanor" from Mrs. Cardeza. Hill later re-named the yacht the "Wacouta."

Filed in papers transferred in 1963 to the L.W.Hill Collection
