[1899] [June][?]

James N. Hill to "My Dear Papa."

Re gaining control of the Duluth Transfer Railroad. Believes this "road would be a valuable acquisition to the Great Northern Ry. & is the only terminal Co. in Duluth. With this Co. in our possession we would have as good terminals here as the St P[aul] & D[uluth] or the N.P. Without it we are at their mercy on this side of the bay."

General correspondence by date.
