

Hill, James N.

September 15, 1888

JNH to Benedict, General Correspondence

"We arrived here alright and have taken up the old string where we dropped it. But cannot do business in our old style without the requisite amount of capital [.] So you will oblige both myself and brother by send [sic] a draft for \$200 apiece to P.O. 371 Exeter NH and oblige."

Benedict does as requested.
