

Hill, J.J.- Records

February 1, 1914

Hill to Beckles Willson, Ottawa

"I have a large correspondence, mainly with Lord Mount Stephen, in regard to the reorganization of the old St. Paul & Pacific Railroad. Most of the dealings with Lord Strathcona were personal conversations and meetings, although my letter files will doubtless have a number of letters. I will be glad to have them looked up when I return to Minnesota."

J.J. Hill Letter Book 2/1/14-2/24/16, p. 8
