

Hill, J.J. - View on frontier philanthropy

Rev. S. White to JJH, Gen. Corresp., Sept. 10, 1888

In response to request for building fund donation for church in Alexandria, JJH pencils across letter:

"Send them \$25.00 & say that as [a] rule I can only help the churches out on the frontier where the congregation is small and the individual burdens much harder to bear."
