

Hill, Samuel

January 31, 1903

Hill to Samuel Hill

"I note what you say in regard to your Northern Securities stock ... I think you would make the worst mistake you ever made to part with a security that has done more you than all the other things you own. It is now paying four and one-half and in my judgment in the next seven or eight years will more than double in value."

JJH LetterBook, 11/18/02 - 11/13/04, p. 89
