

Hill, Wilfred H.-Estate Papers 1911-1915
(J.J.Hill's nephew and
son of A.S.D.Hill)

A file of papers relating to the estate of Wilfred H. Hill. Wilfred Hill had owned farm lands in North Dakota jointly with Martin J. Costello, Assist. General Traffic Manager of the Great Northern Railway, Seattle, Washington. The farm lands were located in three counties in North Dakota--Grand Forks County, Ramsey County and Marrow County. Wilfred Hill left his entire estate to his mother, and these papers deal with attempts to sell the No. Dak. lands
