A.L.Mohler to J.J.Hill.

Mohler(President of O.RR & N. Co.) has met with Adams of the Nor. Pacific R.R.Co., discussed the difficulties between the two companies, and the two men have drawn up a memorandum of conclusions, copy of which has been given to Board of Directors of the O.R.R. & N. Co. Adams also has a copy which, presumably, will be shown to Hill.
