

Pacific Northwest - Resources September 23, '91

Hill to H.W. Cannon

"I have never seen any place in the world where nature has done more for the country than in the section west of the Cascades, and have never seen any place where the people have relied simply on land-booming to such an extent." Describes the resources and lack of real development.

JJH LetterBook, 10/22/86 - 9/21/95, p. 272
