

Peat industry

January 25, 1906

Hill to George F. Baker

Re "statement of the peat coking matter ...
made up by an expert who has just returned from
Germany." May be "full of meaning for iron and
steel." [See also Hill to Emil Hartman, Germany,
March 31, 1906 on same subject]
JJH LetterBook, 6/7/05 - 3/11/08, p. 149, 163
