

Pierce, Hon. Gilbert A.      December 11, 1890

Hill to Pierce, Washington

Thinks House Bill No. 11,568 (re adulterated food) is harmful. "I have endeavored to carefully trace this feeling [gloom] to some defined cause and am forced to the conclusion that the present want of confidence is largely due to too much legislation affecting the business of the country."

JJH LetterBook, 11/25/90 - 5/29/92, p. 18
