

Portland, Lower Columbia and Eastern Wash-  
ington R. R. 1895.

See Aubrey Bennett to Hill, August 19,  
1895 in which he states, "I control and have  
for sale the charter of the P.L.C. and E.W.  
R.R., which by the type written statement en-  
closed herewith you will see has a very broad  
charter granted by the former territory of  
Washington, which could not probably now be  
duplicated from any state in the Union."

General Correspondence.
