Hill to Wm. H. Schofield, Pres. Portland, Van-
couver & Northern Ry. Co.

Re a traffic arrangement. "Our present arrange-
ment with the Oregon Railway and Navigation Co.
afford us facilities for reaching Portland and
intermediate points on that line by way of
Spokane for all business to or from points on
our line East of Spokane. All business between
Spokane and the proposed junction point between
your line and ours, would be of small propor-
tion."
