

Proctor, John W.

August 9, 1878

Hill to Hon. Jno. A. Stogell, Bismarck, D.T.
Re local politics in "the Valley." "I know Judge
Kidder very well and if things are in such shape
as that you can work with him I could probably
do you some good. I had a letter a few days
ago from Proctor and the poor fellow wants to
get out if possible. Can you do anything with
Judge Barnes to help. We can get a good state-
ment from his friends here.
