

Proctor, John W.

Septmeber 24, 1877

Hill to Supt., House of Correction, Detroit, Mich.

Encloses letter to Proctor and a quit claim deed for him to sign and return - also ten dollars. I learn from Mayor McLane [McLean?] of Bismarck that Proctor's suit comes up this week and unless it is disposed of before, judgment will be given against him [in divorce suit] because no one has put in any answer for him and the case goes by default. I sincerely hope you will be able to allow him an attorney. [See p. 153 for letter to Proctor giving details of all this, dated Sept. 24]
