

Pumpelly, Prof.

May 15, 1888

[geologist]

Hill to Charles Fairchild, Lee Higginson Co.

I don't see how Prof. Pumpelly's notes of the country around Great Falls can serve us." There are several iron or steel concerns that expect to go there this year, but each one will send its own expert.

JJH LetterBook, 4/12/88 - 2/7/89, p. 62
