

Pyle, Joseph Gilpin

February 27, 1903

Carbon. [W.C.Toomey] to J. D. Farrell.

"About a week ago I had a talk with Mr. Hill about J.G.Pyle, and I suggested to him that it might be a good thing to bring Pyle back here and put him in charge of the Editorial Department of the St. Paul Globe."

"I have written a personal letter to Pyle and hope to hear from him before Mr. Hill leaves New York for Europe."
