

Railroads - Grain elevators Feb. 19, 1879

Hill to N. E. Nelson, Pembina

We will build a depot and lay track on line
Mr. Payte surveyed. Our railroad builds no
elevators or grain houses on the line, leaving
that to anyone so desiring. Is interested in
Nelson's recommendation of a railroad into
the Mouse River country.

JJH Letter Book, 1/14 - 9/11/79, p. 99
