

Sabin, Dwight M.

May 6, 1887

JJH to Hon. D. M. Sabin, Stillwater

In reply to Sabin's letter asking whether Hill is interested personally or pecuniarily in what the morning's press calls Porter's plan for reorganizing the car company, states that he is not, but he did ~~not~~ recently sign a letter of many signatures "stating that Messrs Staples, Wilder & Porter were of good standing and responsibility."
